

Welcome to Nursery

Welcome back to school!

We are so excited to welcome you back after the holidays and can't wait to take you on your Nursery adventure.

OUR DAY

We start each day with shared activities on the carpet. This includes our daily registration, stories and songs. We then have the majority of our session to engage in free play. This is followed by tidy up time and shared snack. Between snack and home-time, we work together on small group or whole class activities.

PLAY IS LEARNING

We learn through carefully structured play activities that help us to meet different milestones.

8:30am - Doors open for the Early Birds play session. Please note, we do not provide breakfast during this session.
9:00am - Doors open for start of day.
11:30am - End of session.

30 hours

You have all received an expression of interest letter regarding the future offer of 30 hours. We would be very grateful if you could return this to school as soon as possible to support us in our next steps of the planning process.

Who am I and where do I come from?

Who am I?	I will learn about my body, my feelings and my personal history.	I will learn about my family and how all families are different.
Where do I come from?	I will learn about our local area and the homes we live in.	I will learn about land and buildings in our local area and explore the weather, plants and animals around us.

Communication and Interaction

We will be developing our vocabulary and our use of language through play.

Personal, Social and Emotional Development

We will be developing independence, friendships and managing our emotions.

Physical Development

We will be exploring different types of movement.

Expressive Arts and Design

We will explore colour, texture and scent. We will explore the marks we can make and use our imagination.

Past and present

We will learn about our personal history and how we grow over time. We will learn about families.

The Natural World

We will explore the world around us, the weather, plants and animals.

People and communities

We will learn about people around us and explore our local community.

Literacy: Reading

We will learn nursery rhymes and explore familiar stories together.

Literacy: Writing

We will be learning to make marks and to begin making marks with a purpose.

Maths

We will be exploring the basics of counting and learning about the language of shape.
