

# Welcome to Year 1

Welcome back to school!

We are so excited to welcome you back after the holidays and can't wait to take you on your Year 1 adventure.

## MORNING

9:00 - 9:55	9:55 - 10:10	10:10 - 11:05	11:05 - 11:20	11:20 - 12:00
Maths	Playtime	Phonics	Assembly	Writing/Reading

Children should be in school promptly at 8:50am. This ensures that no learning time is lost.

## AFTERNOON

We aim to stick to timetables, but occasionally there may be changes for a variety of reasons.

Monday	Tuesday	Wednesday	Thursday	Friday
RE/PE	Science	Computing/ PSHE	Music/PE	Geography/ History

Our week is so busy that we cannot fit in every subject. We block up our Art and DT lessons so that we can create quality work over a number of themed days.

## Homework

Each Wednesday, children will be set Maths and English tasks. They will also have some topic related tasks throughout the term. Children are also expected to read their phonic book daily and bring it into school every day.

**Reading:** Our books for this term are:

Superworm, Owl Babies, The Little Red Hen, Three Little Pigs and The Jolly Christmas Postman. We will also be studying books related to the Great Fire of London as part of our topic. We will do daily phonic lessons using the Sounds Write Programme to develop word reading skills.

**Writing:** We will be focussing on letter formation and letter size. We will also be focussing on writing sentences using a capital letter and full stop.

**Maths:** Our key focus in Maths this term is place value, addition and subtraction and 2D and 3D shapes. We will be working with numbers to 20. Number formation and using practical equipment will be developed.

### Science

In Science we will be learning about the seasons and materials.

### History

In History we will be learning about The Great Fire of London.

### Computing

In Computing we will be learning how to login and use a computer programme safely

### Art

In Art we will be learning how to make marks using a range of media.

### PE

In PE we will be learning to develop skills in games and gymnastics

### Geography

In Geography we will be learning about the seasons and weather patterns.

### Design & Technology

In DT we will be learning to create a 3D model using reclaimed materials

### Religious Education

In RE we will be learning about how Hindus celebrate Diwali and how Christians celebrate Christmas.

### PSHE

In PSHE we will be learning about family and relationships.

### Music

In Music we will be learning songs focussing on pulse, rhythm and pitch.
