"Every day may not be good, but there is good in every day."

This week is Children's Mental Health Week. We all have mental health all of the time. We want to encourage our pupils to have a healthy mind and you can help. Thinking positive thoughts and always seeing the best in a situation is called having a positive attitude to life. It can make you a happier person and plays an important part in having good mental health.

Encourage your child to talk about one thing that has made them happy each day this week.

Art Day

Monday 13th February will be art day for Years 1 -6. Children will be focusing on painting skills. We can't wait to share their masterpieces!

Y1 Class Assembly

Children in Year 1 will be taking part in a class assembly on Friday 17th February at 9:00am. Parents/carers are welcome to attend. Please enter through the main entrance. Children will be sharing their learning and there will be tea and coffee available afterwards.

Hope you can make it.

Nursery

Nursery hours are as follows:

Morning session: 8:30 - 11:30am

Afternoon session: 12:30 - 3:30am

We ask that parents/carers stick to these times as far as possible to ensure that children get the most from the provision that is in place. Children who arrive late/leave early miss key learning opportunities.

We have been working really hard to make improvements to our nursery environment. If you would like to take a look around, speak to nursery staff who will be happy to arrange this.

All children from Years 1 - 6 should enter school through the door on the yard. Only one door will be opened to ensure that there is adult supervision. Doors open at 8:40am and we encourage pupils to be in school as close to this time as possible. All lessons begin at 9:00am.

Reception Open Door

On Thursday 16th February, reception will be opening their doors to parents and carers at 2:15pm. This is an opportunity to learn about a new initiative in reception - 'Drawing Club'

We'd love to see you there!
