Remember the doors open at 8:40am and children should be in school by 8:50am. This ensures that no learning time is lost.

AFTERNOON

We aim to stick to timetables, but occasionally there may be changes for a variety of reasons.

Our week is so busy that we cannot fit in every subject. We block up our Art and DT lessons so that we can create quality work over a number of themed days.

Homework

Homework will continue to be set on a Wednesday on Atom Learning. We are also continuing to use TimesTables Rockstars.

Children should also try to read at home as often as possible and we will continue our top readers of the week and rewards for those who read at least 3 times a week.

Care Subjects

Reading: Our main novel for this half term is *Vladimir the Volcano*, by Rana Boulos. We will also be looking at lots of non-fiction books about Volcanos as well.

Writing: This half term we will focus on persuasive adverts and persuasive letters.

Maths: Our key focus in Maths this term is Multiplication and Division, as Length and Perimeter. It is also important that children revise their 2, 5, 10, 3, 4 and 8 times tables. We have our weekly TimesTable RockStar leader board which is good practise for this.
