

Year 6 Spring Newsletter

We have had a brilliant Autumn term in Year 6!
We are so excited to continue our learning in the Spring term.

MORNING

9:00 - 9:55	9:55 - 10:10	10:10 - 11:05	11:05 - 11:20	11:20 - 12:15
Maths	Playtime	Reading	Assembly	Writing

Children should be in school promptly at 8:40am. This ensures that no learning time is lost.

AFTERNOON

We aim to stick to timetables, but occasionally there may be changes for a variety of reasons.

Monday	Tuesday	Wednesday	Thursday	Friday
PE PSHE	Science	RE Maths French	Library History Geography	Computing/ PE

Our week is so busy that we cannot fit in every subject. We block up our Art, DT and Music lessons so that we can create quality work over a number of themed days.

Homework

Each week children will be set Maths and English tasks on ATOM learning. Children are also expected to read three times per week and record this in their Reading Record. We also use websites in school that children can access at home such as Reading Plus and Spelling Frame.

Care Subjects

Reading: Our main text for this term is Song of the Dolphin Boy by Elizabeth Laird. We will focus on our inference and language skills initially to aid our understanding of the text and its meaning.

Writing: This term we will write a range of genres for a range of audiences and purposes, beginning with writing to persuade. We will be continuing to build our bank of spelling, punctuation and grammar to help us become sophisticated writers.

Maths: Our key focus in Maths this term is fractions, decimals and percentages. It is important that children are able to recall all times tables up to 12x12 and any practise of this at home is greatly appreciated.

Science

In Science we will be learning about *Electricity*.

History

In History we will be learning about the *History of Human Rights*.

Art

In Art we will be completing an artist study.

Computing

In Computing we will be learning about word processing and spreadsheets.

Geography

In Geography we will be learning about mountains.

PE

In PE we will be learning about dance, fitness, cricket and basketball.

Religious Education

In RE we will be learning about Christianity.

Languages

In MFL we will be learning about weather and school.

Music

In Music we will be learning about the music of Carole King.
